

Ethiopian Reinsurance

የኢትዮጵያ ጠለፋ ጦድኛ

UNDERWRITING CAPACITY

As a foremost reinsurer in the domestic reinsurance market, Ethio-Re provides reinsurance to the direct long term and general insurance companies in the Ethiopian market.

However, grounded on its business strategy, Ethio- Re spreads its wings to transpire as an active reinsurance solutions partner for the African and selected Asian markets.

Hence, as depicted in the table below, Ethio-Re provides the following capacities for Treaty and Facultative businesses on risks emanating from the targeted local and international markets based on merits of the business from its clientele.

Class of Business	Treaty Capacity(USD)	Facultative Capacity(USD)
Fire and Engineering	43,000,000	24,000,000
